Examining the impact of Calvinism on modern society, this title extends the previous limits of Weberian analysis. It analyzes how Calvinism has determined most contemporary social institutions in America, and not just the capitalist economy. Focusing on the relationship between modern society and classical Calvinism it demonstrates the Calvinist societal 'predestination,' of American society as a whole.

**MILAN ZAFIROVSKI**, Ph.D. (1990) in Economics, University of Saint Cyril and Methodius, Macedonia, Ph.D. (1999) in Sociology, Florida International University, is Associate Professor of Sociology at University of North Texas. He has published several books, including *Market and Society* (Praeger, 2003).
